# 23<sup>th</sup> Annual Meeting of North American Chinese Medical Physicists Association (NACMPA)

Denver, CO  
Aug 2, 2017

**NACMPA**  
North American Chinese  
Medical Physicists Association

## President's Conner .....

As the current president, I would like to report to our members the progress NACMPA has made over the past year. NACMPA organizes two major activities for our members in 2017: the

23th annual dinner meeting in Denver during annual AAPM meeting; and the combined NACMPA and the Physics Group of Chinese Society of Radiation Oncology (CSTRO-PG) Symposium in Chongqing, China, on October 26-28, 2017. For the 23th annual dinner meeting in Denver, the organization committee made up of NACMPA leadership and local NACMPA members have been established and have been actively working to identify meeting venue, conduct fund rising, and create meeting agenda. As always, we are anticipating a highly enjoyable evening. For the combined NACMPA and CSTRO-PG Symposium in Chongqing, the theme will be on Advanced Radiation Therapy Technologies. We hope this meeting will facilitate scientific exchange and provide a platform for NACMPA members to enhance their communications, collaborations and friendship with medical physicists in China. NACMPA members, Drs. Cedric Yu, Lei Xing, Charlie Ma, Jing Cai, Josh Xu, Maria Chan, Jeff Yue, Ke Sheng, and Allen Li will present their researches at the symposium. NACMPA

encourage its member to participate and to present in this exciting opportunity. The dates to remember are: September 10, 2017, Online Meeting Registration deadline; September 20, 2017, Abstract submission deadline; September 30, 2017: Hotel reservation deadline; October 26, 2017: Arrival and on-site registration; and October 27-28, 2017: Meeting/Symposium programs. We hope to continue this great tradition in coming years and to make the NACMPA a great society. Welcome to our annual meeting!

Allen Li, Ph.D.  
President, NACMPA (2017-2018)

## Meeting Agenda

**6:15 pm**

Member Arrival

**6:30 pm**
